(Instructions: Be brief and use dot points in the boxes below)

Project ID (see Keystone Project Funding Table 2021 for reference):

Title of Project:

Proposed Start Date:

Proposed Completion Date:

Background/Context:

What identified need does this project address?

(Provide details of data/ reports/ other evidence that support the need for this project)

Objective(s):

Output(s):

Target Outcome(s):

How will the success of the project be measured?

How will you work collaboratively with Keystone (and others) to achieve project outcomes?

Governance

Project Owner:

Project Manager:

Any other governance arrangements:

How does the project relate to the Keystone Strategic Plan?

(Describe which priority or priorities your project aligns with below)

Keystone Strategy:

Relation:

1 - Promote quality pathways to employment by initiating and supporting programs that create sustainable employment opportunities in the Tasmanian construction industry.

2 - Support those in employment to develop their skills, obtain industry accreditation and pursue career opportunities by funding high-quality training and professional development programs.

3 - Champion industry-wide initiatives that promote diversity, innovation and advancement in all areas through research, promotion and stakeholder engagement.

Review and Reporting Commitments

(When and how will you be reporting?)

Work schedule

(Please provide a schedule of major milestones to be achieved throughout the life of project and when you expect these to be achieved)

Milestone Number	Milestone Description	Date Achieved
1		
2		
3		
4		
5		
6		
7		
8		
9		
10		

Budget & payment schedule

(Provide a detailed budget including contributions from other parties and proposed payment schedule. Please take note of Keystone's Trading Terms and Conditions.)

Stakeholder & Communication Strategy

(Provide a plan for communicating the project to key stakeholders)

Diversity Considerations

(How does the project contribute to increasing diversity/ ensuring access for diverse groups in the building and construction industry?)

Project Funding Application Form

Keystone Tasmania advertises funded projects on our website, via e-newsletters, and in other public forums as appropriate. Please provide a (maximum 200-word) summary of the project, including aims, key features, delivery methods and projected impact of the project.

If this project forms part of a broader suite of activities/ programs, please include a statement explaining how this project connects with those.

Please provide a hyperlink to your organisation's approved logo, or upload a .jpg or .png file, which will be used as an initial image accompanying the project summary. As the project progresses, we may replace or supplement this with images from the project delivery.
